It is EASY to get your own Novell Account

Just follow these easy steps;

• Type “Newuser” at the Login Prompt
• No Password
• Hit Enter or Click on OK
Welcome to FDU and the Novell account creation program. This program will verify your registration information and then automatically have your account created.

To continue, click the Begin button. To exit the program, press Exit.

All users must abide by FDU’s Acceptable Use Policy.

FDU
ACCEPTABLE USE POLICY
FOR COMPUTER USAGE

I. SCOPE .................................................. 1
II. ACCEPTABLE USE .................................. 1
III. SECURITY .............................................. 4
